

**Due to changes to State regulations affecting EMT Certification, the EMS Agency will no longer accept a live scan or application for new or renewing EMTs through July 1, 2010. The EMT application, live scan form, and EMT Frequently Asked Questions (FAQ) have been temporarily removed. Revised forms reflecting the regulation changes will be posted July 1, 2010. DO NOT perform a live scan at this time as all applicants who require a live scan will have to perform a new live scan after July 1.**
